

Effective **Monday, February 26, 2018...**

Guelph Community Health Center will accept referrals for  
Indigenous people wishing to access

## **TRADITIONAL HEALING SERVICES for End of Life Care and Bereavement in the WW LHIN**

*“As Indigenous people we travel through stages of life, each representing a new learning and understanding of ourselves and our life’s purpose. For us there is no ending or beginning. Traditional Healing offers each person the right to self-determination in a culturally safe and sensitive way, offering an opportunity to reflect on both life and death.”*

**Jennifer Antler**

**Menominee, Indigenous Healing & Wellness Coordinator, Guelph Community Health Centre**
